

## Press Release

From Link4Life, Sports Development Service

### **Disability Ten Pin Bowling proves to be a great success.**

Throughout November Link4life in partnership with Rochdale Borough Disability Sport and Leisure Forum ran three Ten Pin Bowling taster sessions for adults and children with PAN disabilities and their families. The taster sessions were held at Strike Ten Bowling, Sandbrook Park starting at 6.30pm with a reduced cost of £2 for all participants.

The sessions proved to be a massive success with over 35 people with disabilities attending. The idea of the session was to create a fun and enjoyable sporting event that was inclusive to all. As well as having the opportunity to socialise and enjoy themselves participants were competing to become the Link4life Ten Pin Bowling Champion for 2007. The eventual winner was Daniel Wain who averaged an impressive 121 over the three games.

Link4life is looking to start the Ten Pin Bowling sessions again in January'08. All those who attended in November will receive confirmation of the start date and publicity will be sent out early in the New Year. For further information and to be added to our mailing list to find out more about the sessions and sporting opportunities for people with disabilities please contact Scott Hardy 01706 745143.
