Students from Redwood Secondary School: Josh Morgan and Deon Preston (Dark hair)

Two students from Redwood Secondary School were in the right place at the right time yesterday and managed to get pictured with Micah Richards, England International and Manchester City defender and Sir Trevor Brooking. The Boys had been taking part in a school 5-a-side football tournament when the chance opportunity took part.

Redwood Secondary had been invited to represent the Borough and take part in a football tournament which took place at Curzon Ashton FC due our involvement with the 2008 INAS-FID European Learning Disability

Championships to be staged in Manchester later this summer. Yesterday saw the draw for the Championships take place.

Rochdale Borough will play host to some of the games during the event hosting a number of play off games on 29th July and 31st July, 2008 at Link4Life's, Springhill Sports Centre, hence Redwoods invitation.

Julie Durrant representative for Link4Life explained that Micah Richards and Sir Trevor Brooking had sometime left at the end of the draw to sign a few autographs. The lads managed to get to the front of the queue and were then invited to have a picture taken. This was the only photo opportunity allowed during the day so the boys were very lucky and thrilled to have their picture taken with an England role model and football legend. To find out more about the forthcoming championships visit the FA website at [The FA.com](http://TheFA.com) or Link4life's website www.link4life.org, alternatively contact Julie Durrant on (01706) 926201.
