

# Tobias wins Bronze in Boccia

Tobias Craig represented Rochdale at the Greater Manchester Youth Games and came a stunning third winning a bronze medal.

The greater Manchester youth Games brings young people to together from all over region to compete in wide range of sports. Not having played Boccia many times before Tobias was asked because he fitted the criteria of the event. Tobias has cerebral palsy. He competed against 5 other teams with some absolutely fantastic games. His left arm is his strongest with his throwing distance not being huge, but his level of accuracy second to none. His final game for Bronze or silver against Bury finished with one point separating it. The final result was Rochdale Bronze, Bury Silver and Oldham Gold.

Graeme Hill supporting Tobias could not believe his level of determination and competitiveness. His mum was over the moon with his result.

Tobias loved the atmosphere of the games and said he definitely wants to enter next year.

Tobias would also like to thank the other teams for a fantastic game.

Link4life are currently putting a team together to compete more regularly. If you are interested contact Graeme on 01706 926203
