

# Rochdale Gateway performance in memory of

## Bob Fell

In August we had the very sad news that Bob passed away in his sleep. Bob's relationship with Gateway goes back a long way with is involvement in the management committee, ALPS day Service and more recently with Sunsport. He had a huge impact on the organisation and people's lives.

To celebrate his work we are holding live events at Rochdale Gateway on Friday

The event will include performances by Gateway Day Services, displays on Bob's achievements, presentation of the Bob Fell Volunteer of the Year Award, Disco and Buffett.
