

Hello All,

Sunsport

Yes it is coming up to the Easter Holidays and the Sunsport programme is complete. If you want to book on the programme make sure you get your bookings in early to avoid disappointment!! Due to the demand for the programme it has been coordinated so that we can maximise our offer to you: each week you will be allowed 3 days, of which Wednesday and Thursday must be two of your choices so potentially you could be on the programme for up to 6 days!!! Attached is a flyer providing you with details for enquiry. **Please note that Dance on Fridays is subject to change should a venue not be identified in time for Easter, alternative activity will be provided.**

Please refer to the table below for drop off and pick up venues:

*Please note that transport required during the day will still be provided by Sunsport, the changes are purely to limit the amount of reliance on external transport and to reduce complications.

Ring and Ride

In the February half term, Ring & Ride travel service came and delivered a talk to the group, promoting and providing details of their services. We as a team at Link4Life were largely impressed with the services they offer and the lost costs they charge. From this we thought it was important to promote this service to our Sunsport participants as travel can sometimes be an issue. Attached is a registration form, should you wish to register with the service. Please return the forms to: **Oldham Ring and Ride, Hargreaves Street, West Point Industrial Estate, OL9 9ND.**

For more information on these services email: oldham.rochdale@ringandride.info or call **0161 652 0248**

Saturday Klubs

Saturday Klubs are new fun opportunities for young disabled people to participate in regular activities and to socialise with peers whilst being supported fully. A club launched in February at Woodhouse primary school, Heywood and two more clubs are due to open towards the end of April at Bowlee Sports Centre and Littleborough Community Campus. Currently at Heywood the group has engaged in cooking sessions, multi sports, visits out into the community, arts and crafts and have many other activities lined up including trips out to major sports events!! Attached is a flyer providing you with details for enquiry.
